#### **OUR MISSION:**

To facilitate and promote collaboration in the industry, with a focus on safety and advocacy.

#### **OUR GOALS:**

To provide a training program that grows with this industry and allows students to have updated continuous learning possibilities. Being a nonprofit organization benefits our industry by allowing us to reinvest into our training program and provide the most comprehensive training platform available.

#### **OUR PROGRAM:**

Our training platform is completely moldable towards your needs. The possibilities are endless. Online, in person, weekdays, weekends, your trainers, just let us know.

**Lead Trainer:** Shane Coleman

## **LIGHT & HEAVY DUTY TOWING & RECOVERY TRAINING**

- Live Instructor teaching the curriculum and answering student questions.
- 191-page Training Manual.
- No travel required! Students take the course at home or at the shop.
- 3 days, 5 hours per day.
- Mix of live classroom instructions and detailed hands-on videos.
- Test administered upon completion of the training which requires 80% correct or 40 correct answers.
- 3-year Certificate of Achievement will be issued.

#### **PARTNERING WITH ERSCA**

- Partnering with ERSCA and our training platform will provide your association with an ongoing revenue stream, increased membership prospects, and a program for member employees to obtain and continue their education possibilities.
- We will provide every student with the most comprehensive training manual and instruction available.
- We will manage the database housing each students' certificates and provide current copies upon request.
- The ERSCA training program has a proven track record in the state of California under the California Tow Truck Association. This program provides training to over 1,200 students a year with a membership base of over 600. We estimate over 5000 current certified operators in California.
- The possibilities are endless, and we look forward to the opportunity to provide an outstanding training platform for your members.
